Sir or Madam:

This is responsive to the Office Communication regarding compliance with requirements for patent applications containing nucleotide sequence and/or amino acid sequence disclosures, mailed July 14, 2005, and setting a one-month period for response, which ends on August 14, 2005.

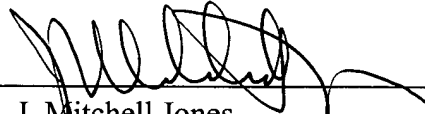

Applicants submit herewith a Substitute Sequence Listing in paper copy and on floppy disk in computer-readable form. The Substitute Sequence Listing is provided to correct an error detected and noted in the Raw Sequence Listing Error Report as processed by the Scientific and

Technical Information Center (STIC) on May 26, 2005. The content of the paper copy and computer-readable copy is the same and includes no new matter.

Please replace the Sequence Listing attached herewith for the last-filed Sequence Listing.
